GENERAL INFORMATION

Training grants are paid from the beginning of the month in which the training starts, but at the earliest from the beginning of the month of application. You should therefore apply for a training grant as early as possible. Please submit the application to the office responsible for you. You can find information on which office is responsible for you at <https://www.bafög.de>.

In order to avoid undue hardship, a further part of the income and assets can remain exempt from imputation beyond the usual exemption amounts. Please submit a justification for this and note that an application for exemption of income can only be submitted in the current grant period and can only be taken into account if the income serves to cover special costs of the education.

In addition to this form *01 - Application for educational grants*, there are other forms that you may have to submit (see appendix to this form, page 1). Please refer to the respective descriptions to find out which forms have to be completed. Alternatively, you can use the form selection at www.bafög.de.

FINAL STATEMENT

I am aware,

- that false or incomplete information or failure to notify changes may be prosecuted under criminal law or punished as an administrative offence with a fine, and that amounts wrongly paid may be reclaimed;
- that I am obliged to immediately inform the Office for Training Assistance in writing of any change in my financial situation (e.g. the income I earn) as well as family and training circumstances, e.g. end of training, change of training and drop-out (also of siblings);
- that the information provided on my income in this application can be verified with the competent social benefits agency, the tax office, my employer or by means of an account enquiry pursuant to Section 93 (8) of the German Fiscal Code (AO) at the Federal Central Tax Office (Bundeszentralamt für Steuern), if the requirements are met;
- that assets are also to be attributed to my assets if I have transferred them in abuse of rights. This is the case if I have transferred parts of my assets to third parties, in particular to my parents or other relatives, free of charge or without equivalent consideration in connection with the start of the eligible training or the application for training assistance or during the eligible training;
- that the information provided in the context of this application regarding my assets has been verified by a data comparison (§ 41 Para. 4 BAföG i. V. m. § 45d EStG) and can be verified by an account query pursuant to § 93 para. 8 AO at the Federal Central Tax Office if the requirements are met.

The information on data protection is available from the Office for the Promotion of Education or can be viewed at <https://www.bafög.de/hinweis>. I confirm that I have taken note of this information.

I certify that the information I have provided is correct and complete and that no changes have been made to the official form.

OVERVIEW OF THE BAFÖG FORMS

01- Application for educational grants

The form must be completed regularly. In case of a repeated application, it can be replaced by form *09 - Folgeantrag auf Ausbildungs- förderung (follow-up application for educational support)* (only applicable for students).

02 - Certificate according to § 9 BAföG

The certificate of attendance at a training institution must be completed by your training institution. Students may instead submit a typed certificate of study.

03 - income declaration

The declaration must be submitted by your parents and, if applicable, by your spouse/registered partner who is not permanently separated.

04 - Children of the person being trained

If you have children of your own, please enclose this form with the 01 - Application for Educational Support.

05 - Benefit certificate according to § 48 BAföG

This certificate must always be submitted by all students at higher technical colleges, academies and universities as a requirement for funding from the 5th semester onwards. If necessary, this can be replaced by a study overview with ECTS credit points.

06 - Training abroad (supplementary sheet)

The form should be submitted together with form *01 - Application for educational grants* before starting an internship or training abroad.

07 - Updating the income

This application can be made if the income of the parent/spouse/registered partner is expected to be significantly lower than the income declared in Form *03 - Income Declaration* during the grant period.

08 - Application for advance payment

If your education is at risk and your parents do not meet either the calculated maintenance amount or the needs according to §§ 12 to 14a BAföG or neither meet the requirements nor provide the required information and evidence, you can submit an application for advance benefits using this form. Before submitting the application, please contact the Office for the Promotion of Education.

09 - Follow-up application for educational support

This form serves as a simplified application for students. Please follow the instructions on this form.

NOTES ON COLOUR CODING

Information and elements that serve to structure are shown in colour. The coloured bar on the left margin marks who has to fill in the fields.

Petrol-coloured form areas are to be filled in by the applicant.

Red form areas are to be filled in by parents / spouses / registered partners.

Yellow form areas are to be filled in by the training institution.

Please state the income according to the BAföG Income Ordinance.
